

Edited Book Guidelines

Preparing High-Quality Book Chapters for Publication

NeelLex welcomes original, unpublished, and high-quality book chapters from researchers, academicians, healthcare professionals, and subject experts for inclusion in edited academic books. These guidelines are intended to assist editors and contributing authors in preparing manuscripts that meet our editorial and publishing standards.

Scope

We publish edited books in the following disciplines:

- 
- Pharmacy
 - Pharmaceutical Sciences
 - Nursing
 - Allied Health Sciences
 - Medical Sciences
 - Life Sciences
 - Biotechnology
 - Public Health
 - Clinical Research
 - Pharmacology
 - Pharmaceutical Chemistry
 - Pharmacognosy
 - Pharmaceutics
 - Regulatory Affairs
 - Healthcare Management
 - Interdisciplinary Health Sciences

Chapter Requirements

- Original and unpublished work only.
- The chapter should not be under consideration elsewhere.
- AI-generated content should be disclosed and carefully reviewed by the authors
- Authors are responsible for the accuracy and originality of the submitted work.

Manuscript Format

- Microsoft Word (.doc/.docx)
- A4 Page Size
- Times New Roman
- Font Size: 12 pt
- Line Spacing: 1.5
- Margins: 1 inch on all sides
- Page Numbers: Bottom Center

Recommended Chapter Structure

- Chapter Title
- Author(s) Name & Affiliation
- Corresponding Author Details
- Abstract (150–250 words)
- Keywords (4–6)
- Main Content
- Conclusion
- Acknowledgements (Optional)
- References

Figures & Tables

- Minimum resolution: 300 dpi
- Figures should be submitted separately in PNG, TIFF, or JPEG format.
- Tables should be editable (not images).
- Every figure and table must include a title and source (if applicable).

References

Accepted citation styles:

- APA (7th Edition)

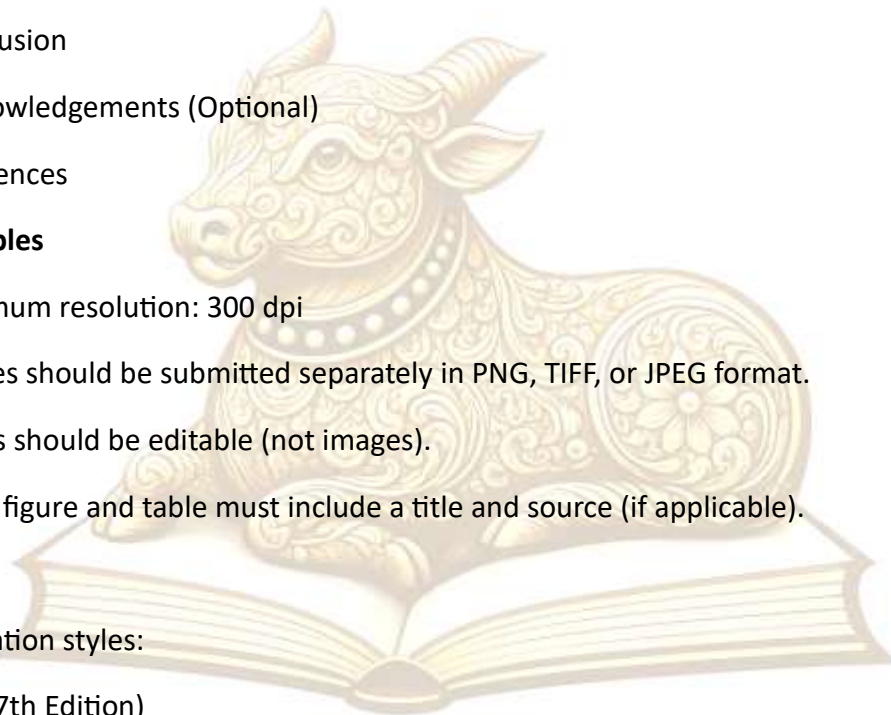

(Editors should maintain consistent style throughout the book.)

Ethical Requirements

Authors must ensure:

- Original Work
- Proper Citation
- No Plagiarism
- No Duplicate Submission
- Permission for Copyrighted Material
- Disclosure of Conflicts of Interest (if applicable)

Chapter Review Process
